

- PRAYER BINGO -

Challenge Instructions

Put the Bingo Sheet where you will see it daily. You will need a 6 sided die (a virtual one will also work - just search on Google for roll dice)

1

This is a “Black-Out” style Bingo meaning that all squares are to be completed.

2

1 roll. Once you roll look at the number you got and pick one on the Bingo Sheet. That becomes your prayer challenge.

3

Once the prayer challenge has been completed cross it out on the Bingo Sheet and write the date of completion in the box.

4

On a separate sheet of paper write down how God is responding to your prayers.

5

Share with one other person how you did with your completed challenge and write that person’s name on the blank line of the crossed out challenge box. May not use the same person more than once.

6

The day after the challenge has been completed (see steps 3-5) you may roll again and repeat steps #2, #3, #4, & #5 (no two challenges/rolls on the same day). Roll until you receive an open number on the Bingo Sheet.

7

You are finished when all the challenges are completed (all spots are crossed & names are written in as described in steps 3-5)! :)

Extra Credit: Do Bingo Challenges on the sheet M-F, Prayer & Fasting on Saturdays and Encourage another person on Sunday. Looking forward to all the amazing things that God will let us witness through this time focused on prayer.
